CALISTOGA

C O L L E C T I O N

Natural Teak

Our seating design experts carefully analyzed every width, depth and angle as they developed the CALISTOGA. These versatile sections allow you to set up your patio seating just the way you want it. The arm chair is free standing. Put a left arm and right arm chair together for a love seat or add a no-arm chair in the middle for a sofa. You can add multiple no-arm chairs for a sofa as long as you wish.
